

# Euro-ROLL

04

R1

## QUICK OVERVIEW: STRENGTHS

### The strength is the price

- Under-ridge roll
- Resistant to water infiltrations and UV rays
- Easily adaptable to every type of roof covering
- Pre-folded Alu edge to increase the mechanical resistance
- Blocks access to birds and rodents under the roof tiles

### Features:

### Technical data sheet

|                        |            |   |
|------------------------|------------|---|
| Material               |            | alu.PP.alu                              |
| Pre-folded edge        |            | YES                                     |
| Aluminium stripe       |            | 0,12 mm                                 |
| Roll length            |            | 5,00 m                                  |
| Central fabric         |            | polypropylene                           |
| Central stripe         |            | NO                                      |
| Material assembly      |            | glue and seam                           |
| Extruded butylic glue  |            | 90 g/m                                  |
| Air flow (each side)   | DIN 4108-3 | >145 cm <sup>2</sup> /m                 |
| Temperature resistance |            | -30°C /+70°C                            |
| Processing temperature |            | +5°C /+40°C                             |
| Alu development        |            | 1,25%                                   |
| Storage                |            | dry, protected from UV rays, max. +30°C |
| Packaging              |            | 4 pc/box                                |
| Pallet                 |            | 30 boxes                                |

### Codes and measures

| Colours / Measures | 310 mm   | 370 mm   | 400 mm   |
|--------------------|----------|----------|----------|
| Red-brown          | 01013903 | 01013901 | 01013906 |
| Brown              | 01013904 | 01013902 | 01013907 |
| Black              | 01013905 | -        | -        |

### Composition:

- Aluminium with prefolded edge ①
- Seam ②
- PP fabric ③
- Extruded butylic glue ④
- Silicon liner ⑤
